

Building on the success of *Life with Full Attention*, Maitreyabandhu offers a profoundly useful work on how to practice Buddhism in everyday life. Using examples from the life of the Buddha, Maitreyabandhu provides an easily understood outline of the spiritual life of Buddhists in the Triratna Community.

The journey starts with our mind, particularly when we begin to look into the truth of things—the truth of the friend in hospital, the coffin we carry to the graveside. What we find in our guide, the Buddha, is a man with a "fit," healthy mind. To get fit, we need to work on becoming a happy healthy human being.

Maitreyabandhu takes us on this journey with practical week-by-week exercises, focusing on cultivating mindful awareness and being happy.
